Established 2015

www.kcyouthhockey.com

The Kansas City Youth Hockey Association was established in July 2015 by merging six area associations into one governing body, KCYHA. The joint effort will bring a sharper focus on skill development, greater promotion of the sport to KC and surrounding areas, and more opportunities to take KC youth hockey to a higher level.

Member Clubs

St Joseph Griffons
Carriage Club
KC Saints
KC Stars
Topeka Jr RoadRunners
KC Jr Mavs

Each member club will keep their house league identity and will also retain their own Coaching Director, Scheduler, and KCYHA Advisory Board representative. The house league will operate as Kansas City Youth Hockey League (KCYHL) and will be governed by KCYHA. A local house select league has also been added for area house select teams to participate in. This league is in addition to the Midwest Hockey League Select Division and will not interfere with house league or MHL games. All house league players will register through one central online system which will be available late July.

KCYHA Leagues

House League: Kansas City Youth Hockey League (KCYHL) - U8 through Bantam
House Select League: KCYHL House Select - Squirt through Bantam
High School League: Mid America High School Hockey League (MAHSHL)

The Mid America High School Hockey League has also merged under the KCYHA umbrella. MAHSHL will continue operations as in the past however will be governed by KCYHA.
